

Saturday February 23, at noon

Are you a woman with alopecia areata? Please join founder, Thea Chassin, at our first Chicago area lunch. We value comfort highly, so please join us with a wig or without. Ms. Chassin leads the empowering and inspirational talk at the table. We have ideas for creating your wig wardrobe, faking it without lashes and lots more! Many wish that friends and family understood this disease better. We help women face the challenges of accepting and discussing this disease. We provide practical solutions for talking to others and raising self-confidence. Our lunches are a unique and special opportunity. We look forward to meeting you!
