

Living Well with Alopecia Areata

A free drop-in event for people with AA and their families

Sunday, August 18 • 11am -2pm

WHITE LAKE, NY

Java Love Coffee Roasters
1577 NY State Rte. 17B
(one mile from Bethel Woods)

Food and drink will be available to order, but no purchase is required.

Are you or a loved one living with alopecia areata?

If so, you should know about an upcoming event in your area: an informal, educational discussion that will specifically address the unique challenges you face. Whether you're newly diagnosed or you've been living with AA for years, this is an opportunity to ask the questions you've always wanted answered.

Also on the agenda:

- User-friendly explanations about the latest research
- How to talk about AA at work, at school or when dating
- Practical tips on makeup, hair care and wig care (plus BGDL brow makeup kits available to try out and purchase!)

All ages are welcome, as are all stages and forms of AA. **It doesn't matter if you've got some patches, you're completely bald, you're wearing a wig, hat or scarf, or even if your hair has grown back!** We'd love to meet you and hear about your experience.

About the facilitator

Thea Chassin founded BaldGirlsDoLunch.org after being diagnosed with AA in 1997. She holds degrees in health fields from both the College of Physicians and Surgeons of Columbia University and New York University and is a nationally known role model and motivational speaker for people with AA, having appeared on the TODAY Show and NPR. Thea has a lifelong dedication to quality of life issues and is an expert in living well with AA.
